### **92-05-02-01. Definitions.** As used in this article:

1. "Baseline period" means the period of time immediately preceding the premium period being rated for risk management programs. The baseline period may not be less than six months and not more than eighteen months.
2. "Employer" means employer as defined in North Dakota Century Code section 65-01-02.
3. "Frequency rate" means the total number of claims accepted by the organization attributable to an employer in that employer's premium period multiplied by one million dollars and divided by the employer's gross payroll for mandatory coverage and the current wage cap for optional coverage.
4. "Good standing" for purposes of this article means an employer account that is not in default pursuant to North Dakota Century Code section 65-04-22.
5. "Measurement year" means the premium period being rated for the risk management programs.
6. "Organization" means workforce safety and insurance.
7. "Risk management programs" means all premium reduction and premium calculation programs offered and approved by the organization. Participants in the deductible and retrospective rating program are not eligible for discounts under this chapter.
8. "Safety intervention" means any program, practice, or initiative approved by the organization intended to eliminate workplace hazards.
9. "Severity rate" means the rate calculated by multiplying the total number of days for which disability benefits were paid by the organization because of a workplace injury during the measurement year by one million dollars and divided by the employer's gross

payroll for mandatory coverage and the current wage cap for optional coverage. The total number of lost time days incurred during the employer's premium period will be calculated only for those claims with acceptance dates in the measurement year and preceding four premium billing periods. Death claims shall be assessed three hundred sixty-five lost time days during the premium billing period in which the workplace death occurs and an additional three hundred sixty-five lost time days for the subsequent premium billing period.

**History:** Effective July 1, 2006; amended effective July 1, 2007; July 1, 2010.

**General Authority:** NDCC 65-02-08

**Law Implemented:** NDCC 65-03-04, 65-04-19.1

**92-05-02-02. Availability.** The availability of the risk management programs is contingent on sufficient fund surplus as determined by the organization. The organization may develop additional programs and modify existing programs.

**History:** Effective July 1, 2006.

**General Authority:** NDCC 65-02-08

**Law Implemented:** NDCC 65-03-04, 65-04-19.1

**92-05-02-03. Eligibility - Billing.** All employers, except participants in the retrospective rating and deductible programs are eligible to participate in the organization's risk management programs.

An employer may elect, subject to the organization's approval, to participate in an alternative risk management program.

The organization, in its discretion, shall determine eligibility for the risk management program. Pursuant to this program, the organization will serve the sector of industry and business that has historically generated high frequency or severity rates, or both.

Volunteer accounts are not eligible for participation in risk management programs.

At the organization's discretion, an employer account that is delinquent, uninsured, or not in good standing pursuant to section 92-05-02-01 may not be eligible for discounts under this article.

Discounts are automatically calculated by the organization and are applied as a credit to the employer's premium billing statement.
